Quadrifoglio Group. Living and breathing design, everywhere

**We are Ethics and Vision in the form
of Order and Ergonomics.**

Design Office, Living and Lighting. Three ways of exploring design, united by the quality of the materials, the quest for elaborate finishes and the continuous focus on comfort and wellbeing, as part of an all-Italian identity.

**Quadrifoglio Group,
vivere il design, ovunque**

**Siamo Etica e Visione declinate
in Ordine ed Ergonomia.**

Design Office, Living e Lighting. Tre modi di coniugare il design, accomunati dalla qualità dei materiali, dalla ricerca di finiture elaborate e dalla tensione continua al comfort e al benessere, nel segno di un'identità tutta italiana.

Our Identity

Strong values, dynamic thinking

Over the years we have seen the world change. Technological, social and cultural innovations, together with climate change, are transforming our lives and the way we inhabit our spaces. The office, the home, public and private spaces are now hybrid environments that demand new design approaches.

In response to these ongoing changes the Quadrifoglio Group has made a pledge: to make design sustainable in order to improve our quality of life. A sense of ethics that pervades all of its actions. From the careful selection of top-quality raw materials through to the expert choice of the most evocative finishes, from the manual actions of its designers, who sketch out their initial ideas on a piece of paper, through to those of the machinery which sculpts it from the material with pinpoint precision.

Quadrifoglio Group, since 1991.

La nostra Identità

Valori fermi, pensiero dinamico

Nel corso degli anni, abbiamo visto cambiare il mondo. Le innovazioni tecnologiche, sociali e culturali e i cambiamenti climatici stanno trasformando la nostra vita e il modo in cui abitiamo gli spazi. L'ufficio, la casa, i luoghi pubblici e privati sono ormai ibridi e impongono nuove vie di pensiero alla progettazione.

In Quadrifoglio Group interpretiamo questi incessanti mutamenti attraverso un unico impegno: rendere sostenibile il design, per aumentare la qualità della vita. Un rigore etico che pervade ogni gesto. Dalla selezione accurata delle materie prime di assoluta qualità, fino alla scelta sapiente delle finiture più evocative, dal movimento delle mani dei designer, che tracciano su un foglio la prima manifestazione di un'idea, fino a quello del macchinario che con accuratezza millimetrica la scolpisce nella materia.

Quadrifoglio Group, dal 1991.

People and relations

Thoughts, ideas, intuition

There would be no places without the people that live there. There would be no design without ideas. There would be no Quadrifoglio Group without our workers, customers and partners.

At the Quadrifoglio Group every project stems from and for interpersonal relations; from the sharing of an idea by designers to the production of ergonomic furniture and through to the design of comfortable spaces perfect for personal interaction. We choose our partners on the basis of shared values. We share with all employees a style of work based on order, both exterior and interior. During the year we dedicate time to training in order to share knowledge and enrich our perspective. Social commitment, company welfare and the protection of personal safety: this is how we put our people at the centre.

Quadrifoglio Group, people first and foremost.

Persone e relazioni

Pensieri, idee, intuizioni

Non esisterebbero i luoghi senza le persone che li vivono. Non esisterebbe il design senza un'intuizione tra le mani. Non esisteremmo noi, senza i nostri collaboratori, clienti e partner.

In Quadrifoglio Group ogni progetto nasce dall'incontro e per l'incontro tra le persone. Da quando un'idea viene condivisa dai designer, alla produzione di arredi ergonomici, fino alla progettazione di ambienti confortevoli, dove abitare le relazioni. Selezioniamo i nostri partner sulla base di valori comuni. Condividiamo uno stile di lavoro improntato all'ordine, esteriore e interiore, con tutti i dipendenti. Dedichiamo del tempo durante tutto l'anno alla formazione, per contaminare i saperi e arricchire la nostra prospettiva. Impegno sociale, welfare aziendale e tutela della sicurezza: ecco come mettiamo le persone al centro.

V

Quadrifoglio Group, siamo prima di tutto persone.

Our commitment

Sustainability is an everyday action

Sustainability is awareness, vision, transformation. It is the ability to construct the future by taking action in the present, also by changing little things.

At the Quadrifoglio Group we work every day to ensure that Sustainability becomes pervasive: a way of thinking, working and living, to feel good today and even better tomorrow. An ethical value, to share collectively but also to practice individually. Our focus on improving company processes, with respect for the environment, is constant. From the streamlining of production to the attainment of international green certificates, from company welfare policies through to the creation of an open roundtable with our team dedicated to sustainability, in order to share goals and strategies. This is our commitment.

Quadrifoglio Group, informed ethics.

Il nostro impegno

La Sostenibilità è un atto quotidiano

La Sostenibilità è consapevolezza, visione, trasformazione. È la capacità di costruire il futuro agendo nel presente, anche attraverso piccoli gesti.

In Quadrifoglio Group ci impegniamo ogni giorno affinché la Sostenibilità diventi pervasiva: un modo di pensare, di lavorare e di vivere, per stare bene oggi e meglio domani. Un valore etico, da condividere collettivamente e da praticare anche individualmente. La nostra tensione verso il miglioramento dei processi aziendali, nel rispetto dell'ambiente, è costante. Dalla razionalizzazione della produzione, all'ottenimento delle certificazioni green internazionali, dalle politiche di welfare aziendale, fino alla creazione di un tavolo aperto con il nostro team dedicato alla sostenibilità, per condividere obiettivi e strategie. Questo è il nostro impegno.

Quadrifoglio Group, etica consapevole.

ELEGANCE COLOURS MOODBOARD

**Deep shades of black, gold
and chestnut emerge from
combinations of porcelain
stoneware, velvet and metal to
create a dusky sense of density.
Ideal for authoritative and
restrained spaces.**

Profondità di nero, oro e castagno emergono
dagli accostamenti tra gres porcellanato, velluto e
metallo per un effetto di densità crepuscolare.
